Dear Sir/Madam

RE:HELB FEES NOT REFLECTING ON MY PORTAL UPTO DATE FOR THIS ACADEMIC YEAR 2022/2023 SEM

1

Hi how are you hope u are fine, am a fourth year student ,perusing bachelor's degree in information technology . In last week November 5th, I received helb messages about my fees disbursement of first semester four thousands (4000ksh) batch 4299, I also received another message notifying for the allocation of bursary award of eight thousands (8000ksh) batch(4334), unfortunately these amounts have not reflected on my portal. My regno is SIT/B/01-00002/2019.

Some of my colleagues have their fees reflected yet we have same batch number, but mine has not.

I kindly wish these problem shall be resolved as early as possible to enable my learning very smooth and avoid auto deferment from the administration.

Your consideration for this issue will be highly appreciated.

Yours faithfully.
